South Carolina Department of Health and Environmental Control Office of Ocean and Coastal Resource Management 927 Shine Avenue Myrtle Beach, South Carolina 29577

November 1, 2013 Permit Application Public Notice (Revision)

Town of Surfside Beach, OCRM-13-281-S

The Department has received an application for a permit for the alteration of a critical area. The application was submitted pursuant to the Coastal Zone Management Act (Act 123) of 1977 South Carolina General Assembly. The application in brief, is described as follows:

LOCATION:

On and adjacent to Atlantic Ocean at 3rd Ave. South, Between S. Ocean Blvd. and S. Dogwood Dr. Surfside Beach,

Horry County, South Carolina. TMS: N/A

WORK:

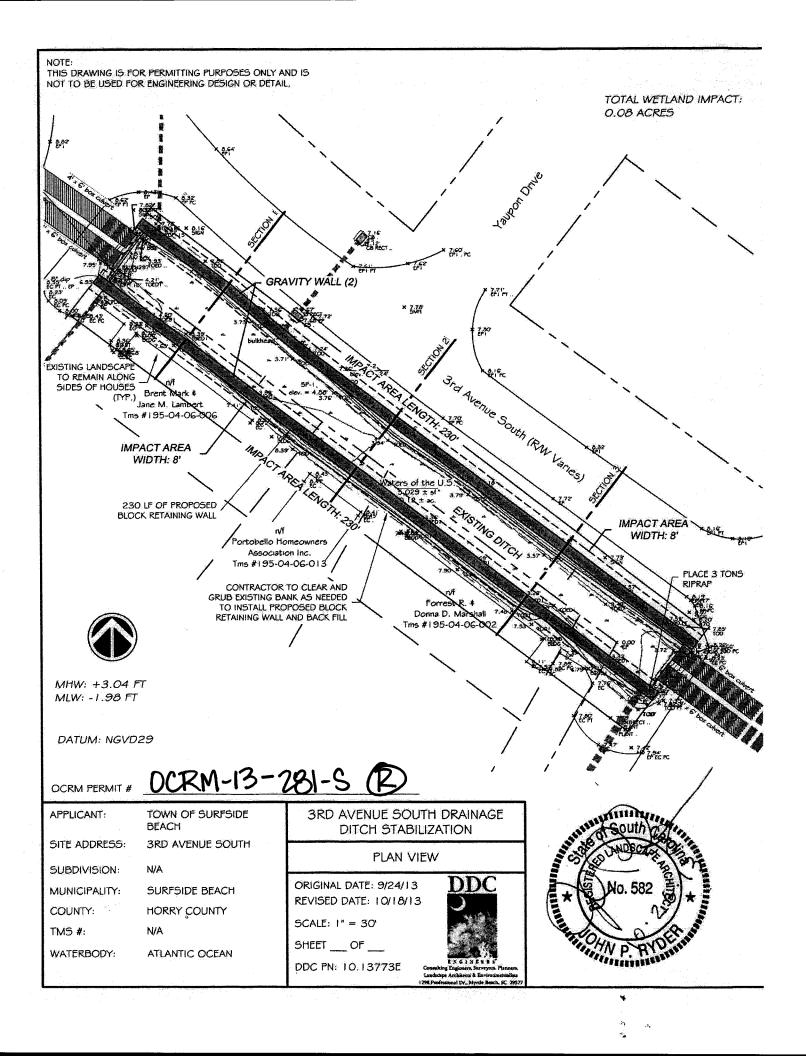

The work as proposed consists of constructing an erosion control device in an existing ditch. Specifically, the applicant seeks to build a 5' high x 2-3' wide x 230' long wall along both banks of an existing tidal drainage ditch. The work as described is to repair the ditch and stop erosion. <u>PLEASE NOTE</u>: This is a revision from the original public notice of October 23, 2013.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by the Department can be based. Comments concerning the proposed work must be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

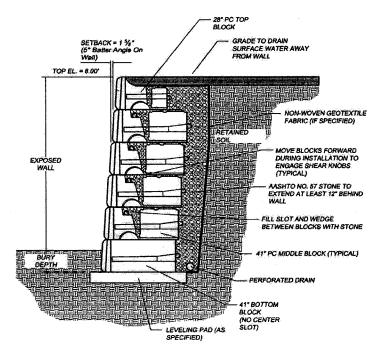

Comments regarding this application must be received by the Department on or before **November 16, 2013**. For more information, please contact: **Chris Stout** at **843-238-4528** or via email at **stoutcm@dhec.sc.gov**.

NOTE:

Plans depicting the proposed work are available and will be provided upon receipt of a written request or may be viewed on the Department website at www.scdhec.gov/environment/ocrm/public_notice.htm.
